COOKING RESOURCES 2015

ALL RECIPES

<http://allrecipes.com/>

This site contains thousands of recipes submitted by home cooks that have been tested and reviewed. It has a searchable database, menu ideas, cooking and entertaining advice, and more.

AMERICA'S TEST KITCHEN

<http://www.americastestkitchen.com>

If you are a fan of the PBS series or Cook's Illustrated, visit this website. You can watch videos of past episodes, find up-to-date equipment reviews and see results of ingredient taste tests. If you are looking for the 'best' version of a recipe, this is the site to visit, along with its companion Cook's Illustrated (<http://www.cooksillustrated.com/>)

BACK OF THE BOX RECIPES

<http://www.backofthebox.com/>

Visit this site to find thousands of brand name recipes found on food packaging. There are a few reader suggested recipes using brand name products.

BARBECUE ON THE INTERNET

<http://barbecuen.com/>

If you're interested in outdoor cooking, try this site. In addition to recipes, there are tutorials, information about wood fuels, grills and tools, facts about meats, temperature charts and more.

BEST FOOD BLOG AWARDS

<http://www.saveur.com/content/best-food-blog-awards-2014-winners>

The best blogs in 13 categories. There's something to love in each one.

Chef 2 Chef

<http://www.chef2chef.net/>

Designed for chefs and aspiring cooking professionals, this site is a wealth of information about techniques and food resources.

CHOW

<http://www.chow.com/>

Featuring entertaining videos, original stories, tested recipes, and in-depth discussions about restaurants, cooking, and more on their Chowhound message boards.

COOKING LIGHT

<http://www.cookinglight.com/>

Cooking Light magazine's online site includes recipes, ideas for entertaining, and information and tips for eating smart and healthy living.

COOK'S THESAURUS

<http://foodsubs.com/>

This site is an online encyclopedia that covers thousands of ingredients and tools. Entries include pictures, descriptions, synonyms, pronunciations, and food substitutions.

CULINARY CAFÉ

<http://www.culinarycafe.com/>

Culinary Café offers browsers recipes several categories. Check out the “Spice Encyclopedia” if you want ideas for new uses for spices and herbs.

EPICURIOUS

<http://www.epicurious.com/>

This site offers a large number of recipes along with those from *Gourmet* and *Bon Appétit* magazines. Under the “Articles and Guides” section, users will find entertaining and restaurant suggestions, food and beverage pairings, cooking lessons and more.

FABULOUS FOODS

<http://www.fabulousfoods.com/>

In addition to recipe archives, this site offers an on-line cooking school, restaurant suggestions, and recipe exchanges. One can also find cookbook and kitchen tool reviews, healthy eating suggestions, and cooking shortcuts.

FOOD NETWORK

<http://www.foodnetwork.com/>

If you're a fan of any of the Food Network's cooking shows, visit this site. You'll find recipes, party ideas, help with healthy eating, and more from TV's top chefs.

FOOD SAFETY

<http://www.foodsafety.gov/index.html>

This U.S. government site is a gateway to federal food safety information. Users will find information on safe food handling and preparation, food recalls, news alerts, food borne illness statistics, and help if you want to report a food borne illness or product complaint.

GLOBAL GOURMET

<http://globalgourmet.com/>

The Global Gourmet offers links to dining guides and recipes from around the world, as well as a cooking calculator and articles on popular cookbooks.

MARTHA STEWART

<http://www.marthastewart.com/cook> and <http://www.youtube.com/user/MarthaStewart>

Martha started her career as a caterer and her knowledge of food nearly unlimited. Although the website has a wealth of fantastic recipes and food information, one of the best resources is the section on menus. And if you're stuck looking for the best method to peel asparagus or make duck out of pineapple, visit the YouTube channel.

MOLLIE KATZEN

<http://molliekatzen.com/>

Vegetarian cookbook author Mollie Katzen has recipes and links to organizations and individuals.

NUTRITION INFORMATION FOR YOU

<http://www.nutrition.gov>

The National Agricultural Library sponsors this site which offers easy access to information about nutrition and dietary guidance. Among the many subjects covered are food labels, MyPyramid food guides, a nutrient database, and the role of diet in disease prevention. The site also has multiple links to other government sites.

SCIENCE OF COOKING

<http://www.exploratorium.edu/cooking/>

Explore recipes, activities and webcasts that will enhance your understanding of the science behind food and cooking.

TOP SECRET RECIPES

<http://www.topsecretrecipes.com/>

Visit this site if you are interested in re-creating a favorite restaurant dish or commercially available food product. Most recipes must be purchased for a small fee.
